

Bonus on Recharge via EVD

The Electronic Voucher Distribution (EVD) popularly known as “Credit Transfer” to the Ghanaian market allows customers to top up (recharge) their accounts electronically for voice calls, data bundles or SMS.

MTN Customers can visit any EVD vendor (credit transfer agent) to purchase any desired airtime amount and the same amount will be electronically transferred to the customer.

Terms and Conditions:

1. General Business Rule.

- MTN customers will enjoy a 50% bonus on every amount topped up (recharged) electronically via EVD.
- The 50% Bonus on EVD recharge is applicable to **ONLY** Prepaid customers **for both peak and off-peak periods.**
- The 50% Bonus on EVD recharge is applicable every day of the week and used for both On-Net and Off-Net activities.
-

2. Specific Business Rule.

- Customers are required to insist on the exact amount of airtime paid for from the EVD vendor.
